

Allegheny Pours Flood Crest Into Ohio River

Only Slight Damage Expected At Golden Triangle

PITTSBURGH (AP)—Allegheny River floodwaters lapped the fringes of Pittsburgh's Golden Triangle today and poured a flood crest into the Ohio River toward West Virginia and Ohio riverside communities.

River forecasters said the Allegheny, finally receding from its flood rampage upstream in northwestern Pennsylvania and western New York, today would hit a high of 27 feet, 2 feet over flood stage.

But only slight damage was expected and residents of this steel-rich metropolis regarded their flooding rivers more as a curiosity than a threat.

The Allegheny had boiled over its banks for more than 200 miles along its upper reaches in New York and Pennsylvania, leaving 2 persons dead and driving some 3,000 persons from their homes.

Warren, Pa., near the New York state line, and Salamanca, N. Y., were hardest hit by the flood waters before the crest passed down stream.

Two Dead Upstream

At Warren, where water swirled six feet deep through half the town and forced 2,000 persons to abandon their homes Thursday, Allegheny and Conewango Creek floodwaters dropped a foot this morning. But only one main highway remained completely open in the virtually marooned town of 15,000 residents, experiencing their worst flood in history.

River forecasters had Ohio River communities alerted for high water for nearly 200 miles downstream from Pittsburgh. Crests of three to four feet over flood stage were forecast for Steubenville, Ohio, and Wheeling, W. Va., where one main Riverside highway already was under water. Wheeling authorities said 79 streets in the south end of the city and on Wheeling Island would be flooded by late tonight if the present crest prediction holds.

Two were dead upstream. Both drowned near Ithaca, N. Y. when heavy rains sent the Allegheny and its tributaries spreading beyond its banks.

Business Ass'n, Clerks Union to Co-Sponsor Banquet

Plans have been completed for a banquet March 20 co-sponsored by the Harrisburg Business Men's association and Harrisburg Retail Clerk's union.

Announcement of the banquet was made by Guy Price, business agent for the clerk's organization and Charles Rauh, president of the business men's group.

It will be held Tuesday, March 20 at Wesley Center and tickets at \$1.50 each may be purchased from either Mr. Rauh or Mr. Price.

Senator Glen Jones will be master of ceremonies and Representative Paul Powell, the guest speaker. Rev. Joe Morman, pastor of the First Baptist church will give the invocation and there will be musical entertainment by Helen Asbell at the electric organ and Sam Wallace of Omaha, vocalist.

It is planned to make these labor-management social get-togethers regular affairs in the future, it is said.

William Weir, 75, Dies at Eldorado

William (Rudy) Weir, 75, resident of 1609 Pearl Street in Eldorado, died at the Ferrell hospital at 2:30 this morning following a short illness. He was a retired machinist.

Survivors include his wife Hatie, and two sisters, Miss Dena Weir, and Mrs. Anna Works, both of Mt. Vernon, Ind.

The body lies in state at the Martin funeral home where services will be held Sunday at 2 p. m. Rev. A. B. Clodfelter will officiate and burial will be in Lindsale Memorial Gardens.

Estimate \$700 Million Hidden by Peron

NEW YORK (AP)—The New York Herald Tribune reported today that an Argentine commission has estimated that ousted dictator Juan D. Peron has \$700,000,000 hidden in the United States and various European nations.

Fish Are Pouring into Lake Harrisburg

LAKE HARRISBURG RECEIVED 1,500 channel catfish yesterday, brought here in a special truck from the state department of conservation. Shown above are two department officials, Paul Smith of Ridgway (right), inspector over eight counties, and Horace Richey, Saline county investigator, with a tub of the catfish, which measured from about six inches to one foot in length, which they poured into the lake from the dam. They were brought here from the state fish hatcheries at Havana, Ill., by Wayne Young. The fish were seined out of the Mississippi by commercial fishermen, bought by the state and taken to Havana. Young brought 1,800 of the catfish, 300 of them designated for the Galatia reservoir. Young said that the fish would gain about a pound each year. (Daily Register Staff Photo)

Minority Party Not Guaranteed House Seat, Rep. Powell Says

Contrary to the opinion of many voters, there is no guarantee to any party of a seat in the House of Representatives in Illinois districts, Rep. Paul Powell declared in a speech at Harrisburg Thursday night.

Rep. Powell was the principal speaker at a Democratic rally held in the court room of the Saline county court house with a crowd in attendance that overflowed into the ante rooms and upstairs halls.

County Chairman Steve Mitchell was master of ceremonies and introduced all Saline county Democratic candidates and other candidates present.

Powell explained the method of electing members of the House of Representatives partly in answer to critics who had suggested that

Economy Edict Curtails Church Food Shipments

WASHINGTON (AP)—Church leaders said today an unpublished economy edict by foreign aid chief John B. Hollister has sharply curtailed the "share our surplus" program announced with much fanfare just before Christmas.

Hollister has notified Protestant, Catholic and Jewish relief agencies that the International Cooperation Administration will provide only 3 million dollars of the 7 1/2 million they asked to cover ocean freight on surplus U. S. grains shipped to hungry families abroad.

Hollister said in letters to the relief agencies that it was "not possible to go higher" in view of the "many other demands of an important nature on our available funds."

The Rev. R. Norris Wilson, executive director of Church World Service, said the effect will be to reduce the planned relief shipments by more than 50 per cent.

He said this means that about 300,000 tons of surplus American grain, which otherwise might have been used to feed the "chronically hungry" in other lands, will remain piled up in government warehouses.

He said the decision was a "keen disappointment" of the hopes aroused by Secretary of Agriculture Ezra T. Benson on Dec. 14.

Benson announced then, at a ceremony attended by religious leaders, that the Agriculture Department would make available to relief agencies all of the surplus grains they could handle for distribution to needy families overseas.

Release of the grain was authorized by the surplus disposal law which Congress enacted in 1954. Congress also authorized Hollister's agency to pay for ocean freight on foreign relief shipments of surplus farm commodities.

Stratton Wants GOP 'Hatchet' Post: Stevenson

Charge is Reply To Attack by Illinois Governor

CHICAGO (AP)—Adlai E. Stevenson Thursday night accused Illinois Gov. William Stratton of trying to become the GOP's hatchet man now that Vice President Richard M. Nixon "is officially on his own."

The charge was a tit-for-tat rejoinder to Stratton's free-swinging attack on Stevenson's record as governor of Illinois.

No one was injured in the fire and explosion which occurred about 11 a. m. The owner of the plant, Harry L. Crisp, Marion, said loss to the buildings and equipment would be at least \$500,000. Lost in the fire were 100,000 pounds of sugar and three beverage bottling machines were either destroyed or badly damaged.

The fire broke out near a bottling line that was not being used, and so far firemen have not determined the cause of the blaze.

Stevenson wasted no time in branding Stratton's attacks as "hysterical" and charging that he is trying to achieve a national role as a Republican hatchet man.

"We Democrats have some curiosity about the composition of the Republican ticket," he said. "We know who is going to carry the flag, but there seems to be some question as to who will wield the hatchet."

"I gather that Gov. Stratton has entered the spring trout for that important post, in case Mr. Nixon falters now that he is officially on his own."

Stevenson was referring to speculation over whether Nixon has President Eisenhower's backing for a second term as vice president. The President said at his Wednesday news conference that he has told Nixon to make up his own mind about whether he wants to be a candidate.

Stevenson said it was "interesting" that Stratton went to New York to make his attack.

"I doubt that his hysterical accusations will distract the people of Illinois from the growing failures in his administration," he said.

Stratton opened fire on Stevenson's record in a New York news conference and in a speech at the National Republican Club.

"In our state, we are somewhat perplexed as to how my predecessor, Adlai Stevenson, can be seriously considered for chief executive of the nation when his known record as governor showed such obvious deficiencies," he said.

He listed a mine disaster, prison riots, and alleged scandals in state purchases and counterfeited stamps as among the faults of Stevenson's 1949-1953 administration.

Stevenson failed to make an attack on Illinois problems, leading to "the assumption that he couldn't do it nationally," Stratton said.

Wm. E. Walker, 74, Dies at Rosiclare

William E. Walker, 74, died early this morning at his home in Rosiclare.

The body now lies in state at the residence.

He survived by two daughters, Mrs. Clarence Lee and Mrs. Ada Scott, both of Rosiclare, and two brothers, Ray Walker of Golconda.

The funeral will be held Saturday at 2 p. m. at the Rosiclare General Baptist church. Rev. Clifford Potter will officiate and burial will be in the Fluorine cemetery.

Grand Jury Indicts Lobbyist Who Sought New Chiropractic Law

PEORIA (AP)—A Peoria County grand jury Thursday returned a four-count indictment against J. Thomas Murphy, Peoria, legislative lobbyist who tried to pass a new chiropractic licensing act with a \$200,000 "war chest."

The indictment charged Murphy with operating a confidence game, larceny by bailer and two counts of embezzlement.

The charges were based on \$400 he obtained from Ellis Johns, a nonlicensed chiropractor of Elmhurst. Johns had previously sworn out a warrant against Murphy. The state charged Murphy had solicited the money from Johns for help in passing the chiropractic bill, with the promise to return all but \$20 expense money if the bill was not passed.

The proposed new act was backed by two organizations representing nonlicensed chiropractors in Illinois. The matter of the huge lobbying fund was brought to public attention last winter when Murphy brought suit against the International and Prairie State Chiropractic associations for \$200,000.

Told of Agreement In his suit filed in Cook County Court, Murphy charged the associations had agreed to pay his lobbying fund collected from nonlicensed chiropractors.

He said this fund amounted to \$143,500 and he also owed another \$56,500 for his lobbying expenses.

William Young, an assistant to Peoria County State's Atty. James P. Kellstedt, said evidence presented to the grand jury confirmed the agreement between Murphy and the chiropractic associations and the fact that two funds had been held in escrow for the lobbying firm in a Chicago bank if the firm passed the bill.

No Tampering Found Young said the grand jury found no evidence of "tampering" with legislators. He said the three House sponsors of the bill, Paul Powell (D-Vienna), Lloyd (Curly) Harris (D-Granite City) and James D. Carigan (D-Peoria), all denied knowledge of any money spent in connection with the bill.

Senate Votes to Increase Corn Acres to 51 Million

\$500,000 Fire at Marion

MARION, Ill. (AP)—Fire of undetermined origin swept thru the Pepsi-Cola bottling company of Marion today, causing damage estimated at at least half a million dollars.

No one was injured in the fire and explosion which occurred about 11 a. m. The owner of the plant, Harry L. Crisp, Marion, said loss to the buildings and equipment would be at least \$500,000. Lost in the fire were 100,000 pounds of sugar and three beverage bottling machines were either destroyed or badly damaged.

The fire broke out near a bottling line that was not being used, and so far firemen have not determined the cause of the blaze.

12 Members of Family Die as Fire Burns Shack

OXFORD, Pa. (AP)—Twelve members of one family burned to death shortly before midnight when flames destroyed their two-room wood and cardboard shack on the borough limits.

Police said the victims, all Negroes, included Mrs. Katherine Twyman, 35, her nine children and two grandchildren. The children ranged from 2 to 20 years old.

Mrs. Twyman's husband, John, 37, was in Baltimore Thursday night and returned early today to find his family wiped out by the blaze.

State police said there were no indications of foul play but an investigation was ordered to "piece things together." They said a pot-bellied coal stove in the 20-by-30 foot shack was believed to have started the fire.

Deputy Coroner Ernest Schneider had asked for the state police investigation to determine whether there "could have been foul play" in the fire.

Schneider explained that he ordered the investigation because he wanted to know why the mother and older children could not have rescued the younger victims or escaped the blaze themselves. State police said, however, that the victims probably were overcome quickly "since there were so many persons in two small rooms."

The fire was reported by Cecil Miller, who lives with his family about one-quarter of a mile from the shack. He told police he was awakened by what sounded like the screams of children and saw the flames when he went outside to investigate.

Name Eight to Faculty at SIU

CARBONDALE, Ill. (AP)—The Southern Illinois university board of trustees appointed eight men to the university's faculty and staff Thursday.

The board appointed an extension marketing specialist, Walter J. Willis of Washington State College, to the SIU school of agriculture. Willis is a native of Beecher City, Ill., and formerly was an assistant professor at University of Illinois.

Other SIU faculty and staff appointments are: John B. Barnes, field representative of the department of community development, assistant director and assistant professor of the department.

Roy Harris, an American composer, as visiting professor of music.

Charles E. Skinner, professor of guidance and special education at New York University, visiting professor of education.

Arthur G. Billings, an economist, temporary appointment to the economics department.

Robert Henderson, executive secretary of the West Frankfort Chamber of Commerce, field representative of the community development program.

Archie Griffin, a Carbondale High School teacher, lecturer in guidance and education.

Howard D. Winters, an archeologist with Carnegie Institute in Washington, instructor in the university museum.

Arthur L. Rice, 75, Dies; Funeral Sunday at 2 p. m.

Arthur L. Rice, 75, died at his home, 217 West South, yesterday at 7:30 p. m. He had been in poor health for some time and bedfast for the past two years.

Mr. Rice was born June 19, 1880, the son of Capt. James A. and Nancy Jane Rice in Saline county. He worked in this county practically all of his life as a plasterer.

He is survived by his wife, the former Carrie Meacham, and the following children: James Rice, Mrs. LaVerne Millis and Mrs. Kathleen Dearing, all of Harrisburg. Mrs. Mildred Berkel, Equality; 11 grandchildren and one great-grandchild. He also leaves one sister, Mrs. Clarence P. Potter of New Shawneetown, who is the last survivor of a family of 10 children.

The body lies in state in the chapel of the Harrisburg funeral home. Funeral services will be Sunday at 2 p. m. at the McKinley Avenue Baptist church. The pastor, Rev. J. D. McCarty, will officiate, assisted by Rev. Bill Fuson, and burial will be in Sunset Hill cemetery.

Ag Dep't May Ask Congress To Authorize More Funds For Disposal of Surpluses

WASHINGTON (AP)—The Agriculture Department may ask Congress to authorize additional spending authority for its surplus disposal program. The program is about to outgrow its financial clothes a second time.

The Commodity Credit Corp. already has used more than 1 billion dollars of its 1.5 billion dollar spending authority to finance export sales of surplus farm commodities. Since the program has been operating only about 15 months and has about 17 months to go, odds are that the remaining spending authority won't last through the stretch.

Department officials are so pleased with the way the surplus disposal program is working out that a request for more funds—probably soon—is a cinch.

The surplus disposal program, authorized by the "Agricultural Trade Development and Assistance Act of 1954" or Public Law 480, makes available CCC funds for use in selling farm surpluses to friendly countries for foreign currency.

When P. L. 480 became effective in July, 1954, it provided 700 million dollars for financing export sales of farm commodities. Last year this was raised to 1.5 billion dollars. Department officials haven't estimated how much they want it raised to fill out the three-year program which will end in July, 1957, unless Congress extends it.

P. L. 480 works this way: The United States and a foreign country enter into a trade agreement for sale of U. S. farm commodities. The commodities are sold at competitive, or world, prices. Private

traders supply the commodities. CCC pays the private U. S. traders. CCC finances shipping charges. The foreign buyers pay CCC in foreign currency. The government in turn uses the foreign currency to finance foreign market development, purchase strategic materials, pay for military procurement, purchase goods for other countries, provide grants and loans for multilateral trade and economic development. The government thus gets back most of the cost of the farm commodities.

Twelve-hour practice alerts will be held Sunday throughout the Louisville, Ky., filter center area of the Ground Observer Corps, which means that Saline county posts will be taking part.

George Hart Post 167 of The American Legion has taken over the Ground Observer Corps station in Harrisburg with Robert S. Hull the supervisor and the Sunday alert, from 7 a. m. to 7 p. m., will be the first by this organization. The station's observation post is in the tower of the county court house.

An observation post was restored a week ago at Carrier Mills, where formerly there was a post for three and a half years in the St. Louis filter center area. When the headquarters for this part of the state was changed to Louisville, Carrier Mills was without a station for a while. Cecil Rabourn again is the supervisor. Mr. Rabourn, who was the supervisor when the station was in operation before, now has accumulated more than 1,200 hours of work for the corps.

Harrisburg is the headquarters of the Ground Observer Corps for southeastern Illinois, with two non-commissioned Air Force officers, Sgt. L. L. Knowles and Sgt. Robert M. Bohn, in charge. They are in Room 202, city hall.

Sgt. Bohn is in charge of a territory running from Dix, north of Mt. Vernon, eastward to Mt. Carmel, and from Dix southward to Johnston City, thence eastward to Harrisburg and northeastward to Norris City and New Haven.

Sgt. Knowles' territory runs from Johnston City south to the Ohio river near Joppa and includes all the state to the east up to New Haven.

The officers said they have spotters at points eight miles apart throughout the area, set up to look primarily for unfamiliar planes. They also pick up any tornado information and information on any aircraft in distress and send all information direct to the Louisville center. The spotters have been trained regarding aircraft and tornadoes.

Charles E. Skinner, professor of guidance and special education at New York University, visiting professor of education.

Arthur G. Billings, an economist, temporary appointment to the economics department.

Robert Henderson, executive secretary of the West Frankfort Chamber of Commerce, field representative of the community development program.

Archie Griffin, a Carbondale High School teacher, lecturer in guidance and education.

Howard D. Winters, an archeologist with Carnegie Institute in Washington, instructor in the university museum.

English Housewife Flies to Bedside Of Cancer-Stricken War Bride Sister

RED ROCK, Iowa (AP)—An English housewife, brought from across the sea through the generosity of Iowa farm folk, arrived today at the sickbed of her cancer-stricken war bride sister.

Mrs. Dora Fullerton, 41, of Hull, England, tried to fight back the tears when she saw her sister, 39-year-old Mrs. John Visser, for the first time in 10 years.

"I tried—I tried awfully hard," she said. "But I didn't quite succeed."

Then the sisters recovered their English calm and sat down together for a cup of tea.

Little talk about Mrs. Fullerton's sudden flight across the Atlantic and about their homeland. There was little reference to the cancer which has wasted the war bride's body and, doctors say, may kill her at any time.

Mrs. Visser married her 6-foot-4 husband, John, in 1944 when he was a glider pilot with the 318th Troop Carrier Wing in England. She followed him to this tiny farm community of 50 persons, where he operates a machine shop, and later became the mother of two daughters.

Last June she was stricken by cancer. Her weight dropped from 140 to 100 pounds and she is in constant pain unless drugged. As

Compromise on Acreage After 8-Hour Debate

Democratic Plan For High Supports Defeated, 54-41

WASHINGTON (AP)—The Senate today voted to increase corn acreage from 43 million to 51 million acres this year.

The amount of the acreage was a compromise reached after about eight hours of involved, complicated debate which started late Thursday.

Sen. Bourke Hickenlooper (R-Iowa) introduced an amendment calling for an increase in the corn acreage to 56 million acres. But he accepted the compromise when prospects for Senate approval of the larger acreage dimmed.

"I hope we can live with it," Hickenlooper told the Senate.

Under the compromise, corn raised on the increased acreage this year would be eligible for price support loans at 81 per cent of parity, \$1.40 cents a bushel.

Before next year, a referendum will be taken to determine if corn farmers want to continue with the increased acreage, but with price supports left to the discretion of the secretary of agriculture.

In the referendum, corn farmers will also be given the alternative of returning to the reduced acreage allotments with a guarantee of a minimum price support of 75 per cent of parity.

Secretary of Agriculture Ezra T. Benson hailed the Senate vote against high rigid supports as a major triumph for the administration's flexible support program.

He said the victory margin of 13 votes was even greater than he expected.

The Senate voted 54-41 Thursday to knock out the Democratic plan to restore 90 per cent supports on cotton, corn, peanuts and rice.

Forty-one Republicans and 13 Democrats defeated the provision. Thirty-five Democrats and 6 Midwest farm belt Republicans voted for it.

Victory—flushed administration forces predicted they will cap their triumph with defeat of a Democratic provision to put 90 per cent supports on millable wheat. The Senate met this morning to continue voting on the politically potent farm bill.

The Democrats denounced the Republican victory and said the Republican farm program in general. One House Democrat called for possible impeachment of Secretary of Agriculture Ezra T. Benson.

Chairman Allen J. Ellender of the Senate Agriculture Committee called defeat of rigid supports and continuance of the administration's flexible support program a "disaster" for the price-squeezed farmer.

Sen. Hubert H. Humphrey (D-Minn.) predicted President Eisenhower and other GOP candidates will suffer at the polls in November. Other Democrats agreed.

Saline County CHECKERBOARD NEWS

By G. L. ABNEY
FEEDING ADVISER

Godard's Farm Market

Check-R-Mix, Our New
Name For An Old Service
Something new has been added
to Godard's Purina chow mixing
service. We are now equipped to
add molasses to grain with which
you feed your live stock. Come in
and let us show you how it works.
Now while weather conditions
have interrupted your seedling oats
and clover is a good time to spend
a little while at Godard's learning
what all we can do to help you
maintain a scientifically balanced
ration for your live stock.
Our grinding and mixing service
has been known for many years
as Custom Mixing. Mixing service
will be known in the future as
Check-R-Mix Service.
As before, we are equipped and
staffed to grind and mix your
grain with Purina Concentrates to
make Approved Purina Rations for
reasonable out-of-pocket cost.
As before, we will mix and grind
according to formulas that have
been farm-tested and thoroughly
researched.
All Purina Concentrates are Mi-
cro-Mixed assuring you that all in-
gredients are mixed evenly
throughout every bag.
Stop in and see our grinding
and mixing staff at work. Bring
a load of grain and we'll make it
into a scientifically balanced ration
while you wait.

First Thousand Free
Cockerels Near Frying Size

Year after year we see the chil-
dren of Purina Chow feeders come
in with them when they get the
free cockerels that we annually
give, beginning in February, to
purchasers of Purina Super Chick
Starters.
The boys and girls seem to have

a priority claim on those free
chickens and there is no doubt
about their pride in owning them
as they pick up and pet the bid-
dies. Within about two weeks now
the first thousand of those six thou-
sand that we have given out during
the past six weeks will be frying
size.

Kinda nice to feel that you've
helped some youngster to have a
poultry project that was all his
or her own, and at the same time
help to fill the family food lock-
er with a fine supply of fryers.

When you buy Super-Chick Star-
tena, Check-R-Tabls or disinfect,
be sure to ask for the free 25c
coupon that Purina has provided
for you at Godard's. We have Pu-
rina booklets to give you free of
charge on nearly every poultry or
livestock feeding project.

Won't be long until you will need
to take precautions against flies
around the barn and milkhous.
We have what you need, so just
keep it in mind and lay in the
supplies necessary to prevent an
annoying infestation.

Births
Congratulations to four families
in our Purina Chow users list:
Two boys and two girls even up
the score.
Mr. and Mrs. Glen Oglesby, Rt. 4,
Harrisburg, and Mr. and Mrs.
Roy Greer, Gaskins City, each have
boys.
The girls belong to Mr. and Mrs.
Everett Russell, Rt. 4, Harrisburg,
and Mr. and Mrs. Bill Haney, Equal-
ity.

SIU Communications Survey of Area by Student Interviewers

CARBONDALE, Ill. — A South-
ern Illinois university communi-
cations survey will be conducted
in the 31 southern counties of Illi-
nois during the week of March 19,
according to Buren Robbins, su-
pervisor of the SIU radio and tele-
vision service.

Robbins, who will direct the sur-
vey, says nearly 70 SIU students
from the area will spend spring
vacation time working as inter-
viewers to obtain information on
newspaper reading, radio listen-
ing, television use, and utilization
of other communications media.
For the most part student inter-
viewers will be visiting selected
rural and urban homes. Robbins
urged the cooperation of persons
in homes where interviewers will
call.

BIBLE THOUGHT FOR TODAY
I have waited for Thy salvation,
O Lord.—Genesis 49:18.

Sometimes we despair of the
realization of our dreams of saint-
hood. Pilgrim's progress is slow
at times and beset by dangers and
difficulties. Keep on.

Thinking It Over— For Lent

By Robert Dieffenbacher, D. D.
Written for NEA Service

Day after day we take for grant-
ed the fact that there will be food
on our table. The food has always
been there, or if there has been a
break in the continuity it has
been of short duration. We are
prone to forget that the growth of
meat and vegetables is a miracle
of nature beyond the mechanical
abilities of man. We forget that
the processes of nature are order-
ed by a power that is bigger than
we are.

The Power who orders the uni-
verse and all its natural processes
is God. We stand in awe of a
man-made television set or an
"atom-smasher," but it is God
who creates the materials and the
processes that we understand in
part and use only slightly.

God is awe-inspiring if we even
casually consider nature with its
cause and effect relationships.
But more inspiring are the hu-
man relationships which emanate
from a personal God who created
man in His own image yet with
individual differences. No two
people in the world have the same
physical features, mental charac-
teristics, emotional reactions, nor
spiritual attributes.

With the freedom of choice which
we have we can order our own
thinking and acting but we can be
happier people and live more satis-
factorily if we seek to follow the
pattern of life outlined by God
through the religious leaders of
history.

American Dinners Are Too Early, Food Expert Says

CHICAGO (U)—Food expert
John C. McCutchen said today that
the trouble with American dinners
is that they come two or three
hours too early.

Dinner time should be postponed
until 8 or 9 p. m., but "of course
you need a little something to tide
you over in the afternoon," he
said.

Food lore runs in the McCutchen
family. His son, Marine Capt.
Richard S. McCutchen, recently
won \$64,000 by answering questions
about food on a television pro-
gram.

Egyptian Health Dep't News

**PLAY SAFE!
GET A FREE CHEST X-RAY!**
Every adult, 15 or over, is
invited to go to the Mobile
Unit for a FREE Chest X-
ray.

Harrisburg, March 8-9-10.
Eldorado, March 16-17.
Open from 10:00 to 1:00 and
2:00 to 5:00.
No undressing. It takes but
a moment.

Are you interested in playing
safe with your own health, and
at the same time, in helping rid
this community of tuberculosis?
Many county residents, 15 years
of age and over, have already re-
sponded to the offer of free chest
x-rays in the campaign to find ev-
ery unknown case of tuberculosis
in this county.

No one can be sure he does not
have tuberculosis. The disease
gives no warning when it first
strikes. What we laymen recog-
nize as signs of tuberculosis—
chronic cough, severe loss of
weight, "spitting blood"—are
usually signs of an advanced case
of tuberculosis.

Yet, the damage inflicted to a
person's lungs by TB germs can
be revealed while still in an early
stage by means of a chest x-ray.

The first, miniature films taken
among the apparently healthy dur-
ing our X-ray program constitute
a "screening process." The major-
ity of those X-rayed receive re-
ports of clear films indicating
healthy lungs. A comparative few
are called back for second x-rays
to permit more detailed study.

Frequently the sealed letter re-
questing that a person return for
his second x-ray means merely
that there was some technical im-
perfection in the first film. Or
the shadows in a first film can al-
so be the result of some minor
trouble in the region of the chest.

Of course, there are bound to be
some whose second x-rays show
signs of disease. Further tests
have to be given before a diag-
nosis of active tuberculosis is
made. But even in these cases
there is a silver lining. When TB
is detected in an apparently healthy
person it is usually in an early
stage. The majority of cases
which turn up will be in an early,
easily curable stage.

An open enemy can be attacked
and defeated. If we get TB out in
the open by finding all the un-
known cases, we can defeat it. We
can all help to make this commu-
nity a safe place for ourselves, our
families, and our neighbors. We
can all have our chests x-rayed.

The honor roll at Abney school
where Dorothy Mings is teacher
is as follows: eighth grade, An-
nette Golliber; seventh grade, Da-
vid Karnes; fifth grade, Stanley
Hill; fourth grade, Judy McIlrath;
third grade, Donna Jean Allen and
Janis Kay Peyton; and second
grade, Brenda Woodiel.

Mr. and Mrs. Frank Huson and
children of Harvey, Ill., spent the
week end with her parents, Mr.
and Mrs. Otis Upton. Mr. and
Mrs. Huson returned Monday, but
the children remained.

Mr. and Mrs. Bill Puckett of
Harrisburg have bought the farm
known as the Aunt Winnie Pat-
terson place and have moved in.
Jimmy Golliber returned to Kal-
amazoo, Mich., Sunday after at-
tending the funeral of his grand-
father, W. A. VanTrease.

Shuman Praises Senate Action

CHICAGO (U)—Charles B. Shu-
man, president of the American
Farm Bureau Federation, praised
the Senate today for rejecting rig-
id farm price support legislation.

"This will help farmers to ex-
pand their markets at home and
abroad and earn higher net in-

come," Shuman predicted.

The federation president expressed
hope the Senate will support
other farm bill amendments want-
ed by the Farm Bureau.

The other amendments, he said,
will "improve" the soil bank plan
and insure farmer participation in
the plan's "effort to bring farm
production into line with current
effective market demand."

We Back the Biggest Difference in Cars Today With a Total of

\$25,000 Insurance

Divided Equally Between Husband and Wife

At No Extra Cost To You With Your New

Rambler · Hudson · Nash · Metropolitan

Here's the Big Difference That Makes It Possible

REVOLUTIONARY "SINGLE UNIT" CONSTRUCTION, PIONEERED BY AMERICAN MOTORS,
MAKES RAMBLER, HUDSON, NASH AND METROPOLITAN THE STRONGEST, SAFEST, BEST
ALL-AROUND CARS ON THE ROAD

PRIMITIVE CARS WERE BUILT WITH FLAT WOODEN-BEAM FRAMES, AXLES AND WHEELS WERE MOUNTED BELOW A FLOOR OR BOX WAS PUT ON TOP. THE BUGGY, WAGON AND "HORSELESS CARRIAGE" USED SIMILAR FLAT FRAMES AND ATTACHED BODIES

EVEN TODAY, MOST CARS HAVE SEPARATE FLAT FRAMES WITH SEPARATE BODIES BOLTED TO THEM

ONLY AMERICAN MOTORS BUILDS CARS ON THE "SINGLE UNIT" PRINCIPLE. BODY AND FRAME ARE WELDED INTO A TOUGH, SUPER-STRONG "SINGLE UNIT". RESULT: PERFORMANCE AT LESS COST...GREATER COMFORT...MORE INSIDE ROOM...EASIER PARKING...SUPERIOR HANDLING AND CORNERING...ELIMINATION OF BODY SQUEAKS AND RATTLES...DOUBLE SAFETY...TOP RESALE VALUE

Why a total of \$25,000 Personal Automobile Accident Insurance is given at No Extra Cost!

We back our confidence that American Motors cars are stronger, safer, more modern than others by giving each buyer of a new Rambler, Nash, Hudson or Metropolitan a total of \$25,000 Personal Automobile Accident Insurance at no extra cost—divided equally between husband and wife.

This insurance provides for the payment of \$12,500 to beneficiary or estate of either you or your spouse (if a member of your household at time of purchase)—thus providing the total of \$25,000—if either or both should be fatally injured while driving or riding

(either separately or together) in your new private passenger American Motors car anywhere in the world. Both are insured for the entire first year of ownership.

Covers fatality resulting within 100 days after date of accident. Applies to privately-owned cars purchased in the continental United States and Alaska where state insurance regulations permit.

Don't buy any new car until you get the facts about the priceless protection only American Motors cars can give you! See your Nash dealer! See your Hudson dealer!

Tune in Disneyland on ABC-TV. See TV listings for Time and Channel.

AMERICAN MOTORS MEANS MORE FOR AMERICANS

Rambler Custom Cross Country

Bennett Cerf Interviews George Romney

Noted publisher, columnist and television personality gets inside story of revolutionary advance in car construction from the President of American Motors.

CERF: Mr. Romney, why do you offer a total of \$25,000 insurance with your new cars?

ROMNEY: It backs our claim that "single unit" construction makes the strongest, safest, most modern cars.

CERF: Is there really that much difference between the way you and other manufacturers make cars?

ROMNEY: All the difference between yesterday's railway coach and today's streamliner. Other cars still use a principle old as the oxcart: A flat frame bolted under a separate body. In our cars, frame and body are welded as a "single unit". It's the biggest stride since the all-steel body.

CERF: And this makes a safer car?

ROMNEY: Twice as safe. Instead of a flat frame underfoot, our frame is a steel, box-girder enclosure as big as the car. It gives you "wrap-around" protection in front, rear, sides and top.

CERF: That sounds like real protection.

ROMNEY: That's not all. Flat frames others use are stiff, so they transmit collision force throughout the car. Our big steel box-girders up front absorb most of the impact. They take the brunt of the punishment instead of passengers.

CERF: What about performance?

ROMNEY: That's a real plus. "Single unit" construction gives a better power-weight ratio. It's stronger and safer, but eliminates useless weight and bulk. Our cars have set many racing records.

CERF: And economy?

ROMNEY: They're tops. Rambler holds the gas mileage record in Mobilgas Economy Runs. Again, because our "hard-muscled" single unit avoids dead weight.

CERF: I like room and comfort.

ROMNEY: Nash and Hudson have more room inside than any high-priced car. Rambler equals medium-priced big cars. As for ride, the greater strength of our "single unit" lets us use larger springs, and superior front suspension.

CERF: Isn't resale value important?

ROMNEY: You bet. Rambler has top resale value in the low price field. In addition to other advantages, welded single unit cars last longer, make better used cars.

CERF: If all you say is true, why don't the Big Three make cars your way?

ROMNEY: You see, mere "bigness" can be a handicap in advanced automobile engineering. One of the biggest of the "Big 3" was years behind others in adopting the all-steel body. The bigger you are, the more factories you have—the more it costs to change.

CERF: I can understand that.

ROMNEY: Beginning in 1940, we spent over \$50,000,000 to develop the "single unit" car. Today, it will cost the biggest companies billions to re-tool for our method.

CERF: Do you think they will follow you?

ROMNEY: No doubt about it. Our major competitors will probably make the change gradually—piece-meal—or one model at a time. Frankly, we will be happy to see our "single unit" construction adopted, because it will mean better, safer cars on American highways.

CERF: Well, I'm about ready for another car. I'm going down to look at American Motors cars.

ROMNEY: All I ask anyone to do is see and drive our modern "single unit" cars at a Nash or Hudson dealer's. The rest is up to you.

Centralia Man Dies of Injuries

CENTRALIA, Ill. (AP) — A Centralia man injured in an automobile accident near Centralia Thursday night died today in a St. Louis hospital.

The victim was John J. McNeil, whose age was not immediately known. He died at Barnes Hospital of a brain injury.

McNeil was injured Thursday night in a head-on collision between his car and one driven by Julian Peck, 34, Ashley. State police said McNeil's car apparently left U. S. 51 three miles south of Centralia and then veered back on the pavement, crossing into the other lane of traffic and hit Peck's car.

Britain Exiles Pro-Greek Leaders On Cyprus Isle

NICOSIA, Cyprus (AP) — Britain arrested and deported pro-Greek nationalist leaders Archbishop Makarios and the bishop of Kyrenia in a crackdown against violence in this key Mediterranean island today. Their place of exile was not disclosed.

The British also deployed troops throughout the island colony to back up London's new get-tough policy against Cypriot terrorists.

The moves obviously were aimed at restoring peace to this trouble-racked island which has become Britain's principal base for troops to be used in Middle East trouble spots.

Social and Personal Items

Mrs. Herbert Clark Hostess to Circle A Of McKinley Church

Circle A of the McKinley Avenue Baptist church met at the home of Mrs. Herbert Clark March 7. The meeting opened with all members singing "Happy Birthday" to Mrs. Carrie Jackson and Mrs. W. M. Streight.

Prayer was by Mrs. Lilly Chitty. The program was presided over by Mrs. Amy Reynolds, first chairman. The theme song, "The Kingdom is Coming," was sung and prayer was offered by Mrs. Elmer Gibbons.

A special song, "Sweet Hour of Prayer," was sung by Mrs. Lucy Rumsey and Mrs. Ada Rann. The devotion was given by Mrs. Amy Ford who took her scripture from 1st Corinthians and Psalms 55. The community mission for the month of March is to hold prayer service in the homes of the unsaved and to visit the sick.

Mrs. Essie Holloway was in charge of the program, "Lord Teach Us to Pray." Topics on good will centers were given by Mrs. Lucy Rumsey, Mrs. Lois Cletcher, Mrs. Lilly Chitty, Mrs. Gertrude Hutchinson, Mrs. Carrie Jackson. Closing prayer was by Mrs. Lois Cletcher.

Refreshments were served to the following: Mrs. Carrie Jackson, Mrs. Lucy Rumsey, Mrs. Amy Reynolds, Mrs. Ada Rann, Mrs. Vera Hetterscheidt, Mrs. W. M. Streight, Mrs. Elmer Gibbons, Mrs. Essie Holloway, Mrs. Gertrude Hutchinson, Mrs. Lilly Chitty, Mrs. Amy Ford, Mrs. Lois Cletcher, Mrs. Gertrude McElmurry, and the hostess, Mrs. Herbert Clark.

Judith Ann Maddox Celebrates 10th Birthday

Judith Ann Maddox, daughter of Mr. and Mrs. Robert Maddox Jr., celebrated her tenth birthday Saturday afternoon, March 3.

With a party given at the home of her grandparents, Mr. and Mrs. Lloyd Branum.

The children spent an afternoon of merriment with prizes awarded to Teresa Travelstead, Marilyn and Linda Davidson.

After Judy opened her gifts "Happy Birthday" was sung as she blew out the candles on a beautifully decorated cake.

Refreshments of cake, ice cream, strawberry pop and candy favors were served to the following: Sally Davis, Roberta Keltner, Elsa Durham, Sharon Brown, Rita Edwards, Linda Lee, Janis Peyton, Deanna Maddox, Brenda Henshaw, Linda Davidson, Marilyn Davidson, Teresa Travelstead, Janet Jackson and the hostess, Judy.

Assisting Judy's mother and grandmother was her aunt Mrs. Wayne Travelstead.

Ruth Ford Circle Meets With Mrs. Charles Rauh

Mrs. Charles Rauh was hostess to the Ruth Ford circle of the First Baptist church for the regular business session Thursday evening.

The meeting was opened with prayer by Mrs. Bud Hall and the business session was conducted by the chairman, Mrs. Bernard Feazel. All chairmen reports were given.

The program was presented by Mrs. Hall who read the scripture and the book, "Indian Life on New Trails," assisted by Mrs. Bader Butler. Topics in keeping with the book were given by Mrs. John Cape, Mrs. John C. Hayes and Mrs. Joe Morman.

Refreshments of angel food cake, whipped cream and coffee were served by the hostess to the following: Mrs. Joe Morman, Mrs. Ernie Becker, Mrs. Charles Sutton, Mrs. Bernard Feazel, Mrs. Noble Mitchell, Mrs. John C. Hayes, Mrs. Bader Butler and Mrs. John Cape.

Pauline Moore Circle Has Annie Armstrong Program

The Pauline Moore circle of the First Baptist church met last evening in the educational building for a six o'clock potluck dinner.

Following the meal the meeting was opened with the group repeating "The Lord's Prayer" in unison. Mrs. Henry Hancock, program chairman, was leader for a panel discussion on "Annie Armstrong Home Missions." Topics were given by Miss Barbara Fearheiley, Mrs. Jerry Lane and Mrs. Pat Gilley.

Also present for the evening was a visitor, Mrs. Arthur Hinant.

The regular circle meeting for the month of March will be held March 13 at the home of Mrs. Bill Ferrell.

Birthday Club Visits Dr. and Mrs. C. C. Hall

Dr. C. C. Hall and Mrs. Hall, Carbondale, were visited Wednesday by the Birthday club to which she belonged when he was pastor of the First Methodist church in Harrisburg.

Members of the club from this city spent the day with them, enjoying a delicious potluck dinner at noon and surprising O. E. Barter with a birthday celebration.

In the group were Mr. and Mrs. O. E. Barter, Mrs. Carrie Barter, Mrs. Bert Gaskins Sr., Mrs. Rebecca Thompson, Mrs. Nim Penrod, Miss Nellie Barter, Mrs. H. O. Buell, Mrs. G. O. Davenport, Mrs. Carrie Stricklin, Mrs. H. A. Murphy from Baltimore, Md., and the Halls.

Woman's Club To Have Program on Gardens

Mrs. Ray Durham will be chairman at the meeting of the Harrisburg Woman's club to be held Monday afternoon in the club room of the public library.

Mrs. Clarence Bosket will speak on "Historic Gardens" and Mrs. John VanTress of Eldorado will show a film on "Historic Southern Gardens of the United States."

Hostesses will be Mrs. Paul Hatfield, Mrs. John Evans and Mrs. Norman Benson.

Ice land has army, navy, fortifications, or railroad.

Graduate Studies for Masters' Degrees In Journalism Approved by SIU Trustees

CARBONDALE, Ill. — Graduate studies, leading to a degree of Master of Arts and Master of Science in Journalism are now being offered in the Department of Journalism at Southern Illinois university. Approval of the graduate curriculum in Journalism was voted today by the Board of Trustees of the university.

The addition of graduate work marks another important step in the development of a well rounded program in journalism at Southern Illinois.

Dr. Howard R. Long, chairman of the department, pointed out following the board's announcement. The department now offers major sequences in journalism in the following fields: Advertising, News and Editorial, Community Newspaper, Printing, Management, Printing and Education, Agricultural Journalism and Newspaper Business Management.

Candidates for a Master's degree are required to complete 48 quarter hours of graduate study, including a thesis. Approximately one-half of the graduate study is in professional journalism courses, with the remainder in liberal arts.

"The Department of Journalism now has an outstanding faculty to conduct the program of graduate studies," Dr. Long said. "Members of the faculty approved for graduate courses include in addition to the chairman, Dr. James L. C. Ford, Dr. Donald G. Hileman, and Assistant Professor Francis D. Modlin.

Dr. Long received his Doctor of Philosophy degree from the University of Missouri, where he was for a number of years Professor of Journalism. Dr. Ford studied for his Doctor of Philosophy degree at the University of Minnesota and Dr. Hileman received his degree from the University of Illinois. Prof. Modlin received his degree of Master of Science from Kansas State Teachers college.

"The graduate studies in the Department of Journalism," Dr. Long explained, "are designed to encourage research in some of the vital areas of the field of journalism and to prepare students for positions of responsibility with newspapers and the other media and as teachers of journalism."

"MOTHERS ARMS ARE MADE OF TENDERNESS"

We welcome the opportunity to help Mother take care of her loved ones. In our Pharmacy are many things to assist.

Before baby is born we supply Mother with important vitamins and medicines, that not only keep her well, but also help to make baby's arrival a healthier one. We have many baby-aids that can make baby's life a more comfortable one.

We realize how important the baby is that Mother holds so tenderly, and pledge ourselves to compound every medicine as carefully as if each baby were our very own.

West Frankfort, Carmi Play in Finals Here Tonight

Dons' Mentor Is Named UP Coach of Week

NEW YORK (UP)—Phil Woolpert, whose San Francisco Dons parlayed his defensive tactics into the longest winning streak in major college basketball history, today was chosen United Press Coach of the Year for the second straight season. Woolpert, who concentrated on defense again this season while most coaches stressed offenses that boosted scoring to all-time highs, was elected in a nationwide poll of 319 sportswriters and broadcasters. Harry Combes of Illinois was second with 28 votes. Frank McGuire of North Carolina was next with 23 and Tom Blackburn of Dayton was fourth with 20.

Red Birds Eliminate Metropolis, 73-56, In Sectional Play

West Frankfort, 73-56 winner over Metropolis last night, and Carmi, conqueror of Shawneetown the previous evening, will meet at eight o'clock tonight in the Harrisburg sectional basketball tournament finals in Davenport gym.

With free throws playing a big part in the last half, Coach George Lubelt's boys extended their lead as the game progressed to come out on top by a 17-point margin.

The Red Birds, who could hit but two out of eight from the free throw line the first half, came back the last half to sink 21 of 25 attempts.

A last quarter press by the Metropolis defense proved beneficial to the Franklin county aggregation, which put 24 points through the hoop the last frame.

West Frankfort did better than the Trojans from the field, too, shooting at a 46.2 clip, compared to Metropolis' 35.4.

Tie For Scoring Honors High point men for the affair were the big 6-6 Metropolis center, Philip Holzer, and Frankfort's tiny, bespectacled Wayne Neibel, who by making 10 out of 12 free throw attempts tied with Holzer for the honors. Each made 20 points.

West Frankfort grabbed the lead at the outset, running it to 8-4 in about three minutes. But Metropolis closed the gap and went ahead, 10-9, with but a minute left in the frame. The Trojans of Coach Don Faherty led, 12-11, at the end of the period.

Frankfort went ahead, 13-12, as the second period started, but the Trojans then took the lead again, 14-13, for the last time in the game. At that point Frankfort pulled out ahead and stayed there, leading 30 to 24 at the end of the half and 49-39 at the end of the third period.

Metropolis brought a rugged outfit to the tourney but was not able to hold out against the South Seven entry. Frankfort was very small in the back court, Neibel and Don Griffin looking in appearance more like members of a freshman-sophomore squad. But they could shoot and Griffin is an excellent field general. The Frankfort front court was big enough with Frances Florian, the huge sophomore, Ronnie Avery, and Vlado Zravich. Zravich, a tall center, is just a sophomore but unofficial reports were that he will be too old to play next year.

Plenty of Seats Looking especially rugged for Metropolis was husky Robert Taylor, a junior forward.

There were plenty of seats at last night's session, a far cry from the night before when the Carmi-Shawneetown game brought a standing-room-only house.

The winner of tonight's game, which will receive the sectional trophy, will meet the winner of the Pinckneyville-Herrin game of the Pinckneyville sectional next Tuesday night in the first round tilt of the state tournament at West Frankfort.

Box score of last night's game:

Metropolis (56)	FG	FT	TP	PF
Taylor	7	0	14	4
Mitchell	2	0	4	5
Williams	2	4	4	4
Holzer	8	4	20	3
Cummins	0	4	4	3
Stratemeyer	0	0	0	0

- At Peoria Peoria Central (23-4) vs. Peoria Limestone (17-9).
- At Pinckneyville Pinckneyville (28-3) vs. Herrin (28-2).
- At Quincy Quincy (25-5) vs. Dallas City (21-7).
- At Rockford Rockford West (23-1) vs. Freeport (14-11).
- At Shelbyville Clinton (14-12) vs. Taylorville (12-16).
- At Wood River Edwardsville (24-5) vs. Jerseyville (21-8).

Stable Fire Kills 17 Race Horses

OLDSMAR, Fla. (UP)—Fire struck the stable area of Sunshine Park race track for the second time in two years Thursday night, killing at least 17 race horses.

Stable attendants freed more than 60 horses from the flaming barn and adjoining stables and two of these were struck by automobiles as they fled in terror down a highway. They also may have been destroyed.

West Rockford Pours It On to Win, 105-66; Dream Match Tonight Between Herrin and Pinckneyville

By United Press

Rockford West pounded little Forreston 105-66, Springfield Lanphier upset Lincoln 52-50, and Peoria Central nosed out Peoria Spalding 63-58 in overtime in Illinois high school basketball sectional semifinals Thursday night.

The 30 survivors of the 1956 which started the play for the 1956 cage crown will meet in 15 sectional finals tonight. The winners will advance to the "super-sectional" games to be played next Tuesday night. The "super-sectional" winners will go to Champaign for the final three rounds of the tourney.

Champion Rockford West, again rated the state's best team, won its 23rd game against a single loss and ran away from Forreston in the last half. Forreston had a 29-1 record, compiled against much weaker competition, going into the game.

Johnny Wessels led Warrior scoring with 26 points.

Free Throws Clinch It

Springfield Lanphier, with Ivan Jackson outplaying Lincoln's touted Dave Cadwallader, led the Railsplitters almost all the way but nearly tossed the game away in the final 3 minutes.

An out-of-bounds pass and traveling by Lanphier gave Lincoln the ball twice and the Railsplitters pulled to 50-48, but a Lincoln player fouled Lanphier's Bill Clark with 24 seconds left and Clark hit two free throws to doom Lincoln. Jackson was high scorer for the game with 17 points.

At Peoria, Spalding led Central at the half 27-23 as both teams played cautiously. But Central tied it up before the game ended, then scored two baskets and a charity throw to win in overtime. In the other contest at Peoria, where both semifinals were played Thursday night, Limestone was never behind in rolling to a 62-43 win over Macomb Western.

Dream Match Tonight

Herrin, the state's third-ranked team, set up its "dream match" with Pinckneyville, the second-ranked club, by humbling Mound City at Pinckneyville 74-49. For Herrin it was the 29th win in 31 starts. Herrin and Pinckneyville during the regular season divided two games, by 51-50 scores each time.

Another spotlight game was set up at East Moline, where the Moline bunched Sterling 71-64. The Moline will now meet the Galesburg Silver Streaks, which split with Moline during the regular season. La Salle-Peru, second place team in the Big Eight Conference behind Rockford West, overcame Streator's ball control tactics to win 43-35 at La Salle-Peru. La Salle-Peru will be heavily favored tonight to trounce a weak Kewanee team which has a 9-19 record.

Lawrenceville, with Allen Gosnell piling up 43 points, waged a furious battle to oust Centralia 78-75 at Olney. Centralia led at the half by a single point and the game saw-sawed down to the final minute. Lawrenceville will meet favored Effingham St. Anthony in the final tonight.

West Frankfort Advances

West Frankfort won the right to battle Carmi for the Harrisburg sectional title by outclassing Metropolis 73-56. Metropolis never led after the first quarter. New Trier pasted Arlington

ALBERT WILLIS (left), top man in Illinois prep sports, paid a visit to the Harrisburg sectional basketball tournament last night. Mr. Willis, the executive secretary of the Illinois High School association, is shown before the game conversing with Eltis F. Henson, Harrisburg Township high school principal and tournament manager. Mr. Willis is a native Eldoradoan, graduating from Eldorado Township high school. After college he was at Fairfield high school nine years and at Batavia high for two years before joining the staff of the IHSAA. With him at the tournament was his sister, Mrs. George Skelton, who resides two miles northwest of Eldorado. (Daily Register Staff Photo)

Ex-Football Player Sentenced for Robbery

ST. LOUIS (UP)—A 23-year-old former football player has been found guilty of armed robbery in connection with the holdup of the Southwest Bank in St. Louis.

A Circuit Court jury returned the verdict Thursday night and set punishment of Glenn Chernick of Chicago at 20 years in prison. It was the second trial for Chernick, who was convicted previously but won a new trial by order of the Missouri Supreme Court.

The number of candidates for Representative is determined by a Representative committee, with one committeeman elected in the primary from each party for each county.

Powell Only Candidate

County chairmen determined the number to be nominated this year when the district was undergoing a change due to reapportionment which was voted in the last session of the Legislature.

The Democrats determined to nominate one man, and Powell is the only candidate. The Republicans determined to nominate two men, and there is a contest for these two positions, with the winners to be elected automatically in November.

In closing out this part of his talk, Powell declared that the committee in his district had always been free to make a decision regarding the number of candidates to nominate. "I have never dominated, or attempted to dominate, the committee," Powell declared.

With reference to his record in the House of Representatives, Powell stated that nearly 300 bills he had sponsored or co-sponsored had been enacted into law.

Record in Assembly

He has been Speaker of the House, Minority Leader, Party Whip and recognized as the outstanding member of the house. During the last session of the legislature Rep. Powell was voted by newspaper reporters covering activities of the House as its outstanding member.

Speaking on the coming primary generally, Powell declared he had always believed in organization and was back of the regular party candidates 100 per cent.

Following the meeting a session of the Saline County Democratic committee was held and the committeemen voted unanimously to endorse the party candidates, Steve Mitchell, chairman, reported.

Powell predicted a Democratic victory in the general election this fall, declaring the people are "sick and tired of broken promises." In 1952, Powell said, the people were promised: 1. A balanced budget; 2. A 100 per cent parity program; 3. Reduction in income taxes; 4. To abolish deficit spending; 5. Reduction in defense spending. The Republicans have failed to keep any of these promises, Powell declared.

County candidates introduced were Bob Wilson for state's attorney, Jimmy Burroughs for circuit clerk and James Thornton, James Woolard and Aubrey "Red" Giles, candidates for coroner.

Other Speakers
Candidates for delegates to the

TWO FEATURES AT GRAND—Charles Coburn, George "Foghorn" Winslow and Spring Byington are shown in a scene from "The Rocket Man," to show at the Grand Friday and Saturday. Peter Graves in "Fort Yuma" also will be on the double feature program.

White House Dinner For Top Members of 'I Like Ike' Group

WASHINGTON (AP)—President Eisenhower held a small White House dinner Thursday night for most of the top charter members of the "I Like Ike" movement.

The guest list strongly indicated the purpose of the dinner was to map some major campaign plans—and possibly to discuss who will fill the No. 2 place on the Republican 1956 ticket.

A White House spokesman declined to give details of the dinner. But reliable sources said the guest list included Atty. Gen. Herbert Brownell Jr., former Gov. Thomas E. Dewey of New York, Gen. Lucius Clay and Presidential Assistant Sherman Adams.

Clay is reported to be a leader in a group of GOP advisors pressing for dropping Vice President Richard M. Nixon from the ticket.

national nominating convention, Leroy Barham of Harrisburg, J. Palmer Rea of Benton and Gordon Franklin of Marion and candidates for alternate delegates to the national nominating convention, Dun Scott of Harrisburg and Lewis H. Dawley of Carbondale, were introduced and spoke briefly in behalf of their candidacy.

All Saline county Democratic officials—County Judge Trafton Dennis, County Clerk Don Garrison, Sheriff William Barrett, Treasurer Maynard Cannon, State's Attorney Bob Wilson and Superintendent of Schools Raymond Gardner—were present and introduced.

Mrs. Irma Igo of Mt. Vernon, state chairman of the women's organization, southern district, was in attendance and spoke to the women following the general meeting.

The crowd was entertained with musical selections by Lula Belle from Vienna and the Knight Sisters from Benton.

Public Lecture Sunday By Watchtower Bible Society Representative

Norman C. Pearcey will culminate a week's visit with the local congregation of Jehovah's Witnesses Sunday, March 11. The climax of his visit will be a free public Bible lecture at 3:00 p. m. March 11, entitled "Attaining Victory in Christian Warfare." All are invited to attend the lecture and hear such questions as "What, actually, is the Christians' Warfare?" and "How can victory be attained?" answered.

Mr. Pearcey is a travelling representative of the Watchtower Bible & Tract Society, Inc. and spent several years at the headquarters of the society which is located in Brooklyn, New York.

Wisconsin paid bounties on 38-597 fox, 2,579 wolves and coyotes, and 524 lynx and wildcats in 1954-55.

Claims Wife Fired Because of Refusal To Support Wright

SPRINGFIELD (AP)—Ralph Zenges, Springfield, said Thursday his wife, Gertrude, was fired by State Treasurer Warren E. Wright because Zenges refused to support Wright's bid for the Republican nomination for governor.

Wright said the statement was "not worth commenting on" and that Mrs. Zenges was fired because she had displayed "an inability to perform her work" as a stenographer.

Mrs. Zenges has submitted a resignation to Wright.

Zenges, associated with a printing firm, said he would support Gov. William G. Stratton for governor because he "has had a good administration."

He said he counted himself a friend of both Wright and Stratton and had helped prepare press and radio publicity for Wright in his 1954 campaign.

"I would have supported him again if he had run for any other office except governor," Zenges said.

FBI Arrests Second Man in Bank Robbery

NEW YORK (AP)—The FBI arrested a second man today in connection with the \$188,000 Port Chester, N. Y., drive-in bank robbery.

An FBI spokesman identified the suspect as Angelo P. John, White Plains, N. Y., a two-horse racing stable partner of the prime robbery suspect Arthur Paisner.

Paisner, who was arraigned Thursday, blurted out in Federal Court, "I am guilty."

The FBI said John was merely charged with withholding information, not with actually taking part in the holdup. He is being held in \$10,000 bail.

Harrisburg, Ill.

PUBLIC NOTICE

To all wanting to purchase a Television, Refrigerator, Home Freezer and other appliances:

The O'Keefe Lumber Company is one of the oldest appliance dealers in Southern Illinois. We have continuously sold Crosley Products since 1938.

We have factory trained service personnel, which enables us to give you better and quicker service. When we sell you a Crosley Product we install and service this product. We do not turn the installation and service over to someone else and then let you worry about getting it serviced, for the warranty, in most cases on a product, is only as good as the dealer or salesman who sells the product.

Our payment plan is most complete. We carry insurance on the product while you are paying.

We want to trade for your old appliance. We have a large market for used appliances at all times. This enables us to give you a bigger and better trade than anyone else can offer. Try us and see for yourself what your old appliance is worth as a trade-in.

The O'Keefe Lumber Company, "Your Oldest Crosley Dealer" in Southern Illinois has decided that it will not be UNDER SOLD on any appliance that you might want to purchase. If you are going to buy a new appliance see us for a better deal. **WE WILL SAVE YOU MONEY.**

We have the appliance on the floor that you will want. We have a plan that enables you to buy the appliance you want. We have a complete stock of refrigerators, ranges, automatic laundry, wringer washers, home freezers and Crosley TV, plus many small appliances.

We will install and service the appliance; therefore you will not have to look to some other company to do it for you when they can.

Looking at Sports

BY BILL MELTON

With the Illinois State Basketball tournament only a week away here are some facts and figures that may be of interest. These are from the University of Illinois Athletic publicity offices.

Only undefeated teams ever to survive the tournament trail to a state championship were Taylorville, which captured 45 straight in 1944; Mt. Vernon, winner of 33 in a row in 1950, and LaGrange, which had 29 straight in 1953. Four other teams went into the championship final undefeated, only to meet first losses. In 1922 Atwood's perfect record was nipped by Centralia, 24-16, in the final. Decatur did it to Danville, 28-22, in 1936, while in 1942 Paris, previously unbeaten, fell before Centralia, 35-33. DuSable of Chicago had a perfect mark of 31 straight in 1954 but lost in the finals to Mt. Vernon, 76-70.

Four-time winners of state title—Mt. Vernon (1920, 1949, 1950 and 1954).

Rockford, Centralia, Decatur and Freeport have won the state title on three different occasions. Schools to win two state titles are Bloomington, Springfield, Elgin, Morton and Cicero and Paris.

Only two schools have ever won two titles in a row—Elgin (1924, 1925), Mt. Vernon (1949, 1950).

Hebron in 1952 was the first district team to win the state title since smaller schools were placed in districts in 1938. Braidwood was runnerup to Dundee in 1938. (Ed. Note: 1938 was the year Harrisburg went to the state tourney and lost in the quarterfinals to Dundee, the team to go on to take the championship. Harrisburg won its opening round up state from Milton, 36-25, and lost to Dundee, 38-26. Members of the HTHS squad were Victor Brown, Mickey Dudonis, Charles Wilson, G. B. Hart, Gene Davidson, Bob Miley, James Davis, Harker Miley, Bill Burnett and Tony Rudd).

Highest score (total) in title game—146 points (Mt. Vernon 85, Danville 61) in 1950; (Mt. Vernon 76, DuSable 70) in 1954. Highest single game score for winning team—89 points (DuSable 89, Edwardsville 73) in 1954.

Coaches of three state champions—Arthur L. Trout, Centralia (1918, 1922, 1942); Gay Kintner, Decatur (1931, 1936, 1945).

Only coaches to take three different teams to state tournament—Dolph Stanley (Equality 1934, Mt. Pulaski 1936, Taylorville 1940 and 1944); Jack Fabri (Springfield Cathedral 1942, Collinsville 1946, LaSalle 1948).

Individual scoring record for all tournament games—121 points (31-38-27-25) by Ted Caiazza of LaGrange in 1953. Most field goals in one game, individual—16 by Robert Doster, Decatur, 1945; Max

Hooper, Mt. Vernon, 1950. Modern individual point record for single game—38, 15 field goals and 8 free throws by Ted Caiazza, LaGrange vs. St. Teresa of Decatur, 1953.

Records for state tournament attendance were established in 1947—7,993 for single seats, 23,344 for first-day sessions, 15,806 for Friday and Saturday double sessions. During years of four-day, eight-session tournaments, total attendance was 55,240, capacity for all sessions. This year, figuring capacity of 6,912 for each of the 1956 sessions, total attendance will be 27,648.

Employment Drops During February

WASHINGTON (AP) — Employment dropped 314,000 last month, the government reported today.

But the number of persons with jobs in February—62,577,000—still was at a record level for the month.

The total of unemployed rose only 29,000 over the January figure to 2,914,000. A sizable number of persons withdrew, for the present, from the labor market, accounting for the difference between the drop in employment and the much smaller increase in unemployment.

The Commerce and Labor departments said "sizeable" job layoffs in the automobile and related industries—resulting from auto production cutbacks—contributed to the employment decline. Seasonal job declines in agriculture, construction and retail trade also figured in the drop.

Warriors Set League Record With 142-120 Win

By United Press

The rampaging Warriors of Philadelphia, rolling up 142 points for a new National Basketball Assn. record, stole the thunder from the Fort Wayne Pistons' capture of the Western Division championship Thursday night.

The Warriors, who locked up the eastern crown 24 hours earlier, ran wild in downing the Boston Celtics, 142-120, at Philadelphia. Neil Johnston, honored in a special "night" by the fans, tied with Paul Arizin for Warrior scoring honors at 29 points, although Bill Sharman had 33 for the Celts.

The Warriors' 142 points broke the league record of 141 for a single game set by Sheboygan against Denver, March 10, 1950.

The two-team total of 262 points eclipsed the record total of 248 set in a five-overtime game on Nov. 24, 1949, in which Syracuse beat Anderson, 125-123. The Anderson total in that game stands as the losing team record, which the Celtics just missed. The Warriors rolled to their record with period scores of 34-31-39-38.

Fort Wayne clinched its second straight Western Division title with a 100-82 victory over the Minneapolis Lakers at Fort Wayne, boosting their lead over second-place Minneapolis to five games with three remaining. The Pistons seized a quick 30-15 lead and breezed home as George Yardley scored 26.

Syracuse took a one-game hold on third place in the East with a 92-89 victory over St. Louis in the only other game Thursday night.

Winter Term Exams At SIU Will Be Followed By Week's Vacation

CARBONDALE, Ill. — Winter term examinations at Southern Illinois university Monday through Friday, March 12-16, will be followed by a week's vacation. Classes will be resumed at Southern on March 26, opening date of the spring quarter, which will continue until June 17.

Sent Birthday Greeting, Democrat, 100, Decides to Vote for Ike

DECATUR, Ill. (U) — James Gharst, 100, decided to vote for President Eisenhower in November, if Mr. Eisenhower is nominated for a second term, because the President sent him a greeting card for his birthday.

Gharst, lifelong Democrat, was 100 years old Thursday.

The geographic center of Illinois is at Logan, 28 miles northeast of Springfield.

Bob Pettitt of the Hawks was held to 10 points, cutting his lead in the scoring race to 19 points over Arizin.

Extend Time for Lobby Report

WASHINGTON (AP) — The Senate today formally gave its special committee an extra three weeks to wrap up its investigation of an oil lobbyist's rejected \$2,500 campaign contribution to Sen. Francis Case (R-S.D.).

The extension will give the special four-man committee time to study possible law violations and draft a report on the incident. The matter stirred up a turmoil during Senate debate on the controversial natural gas bill.

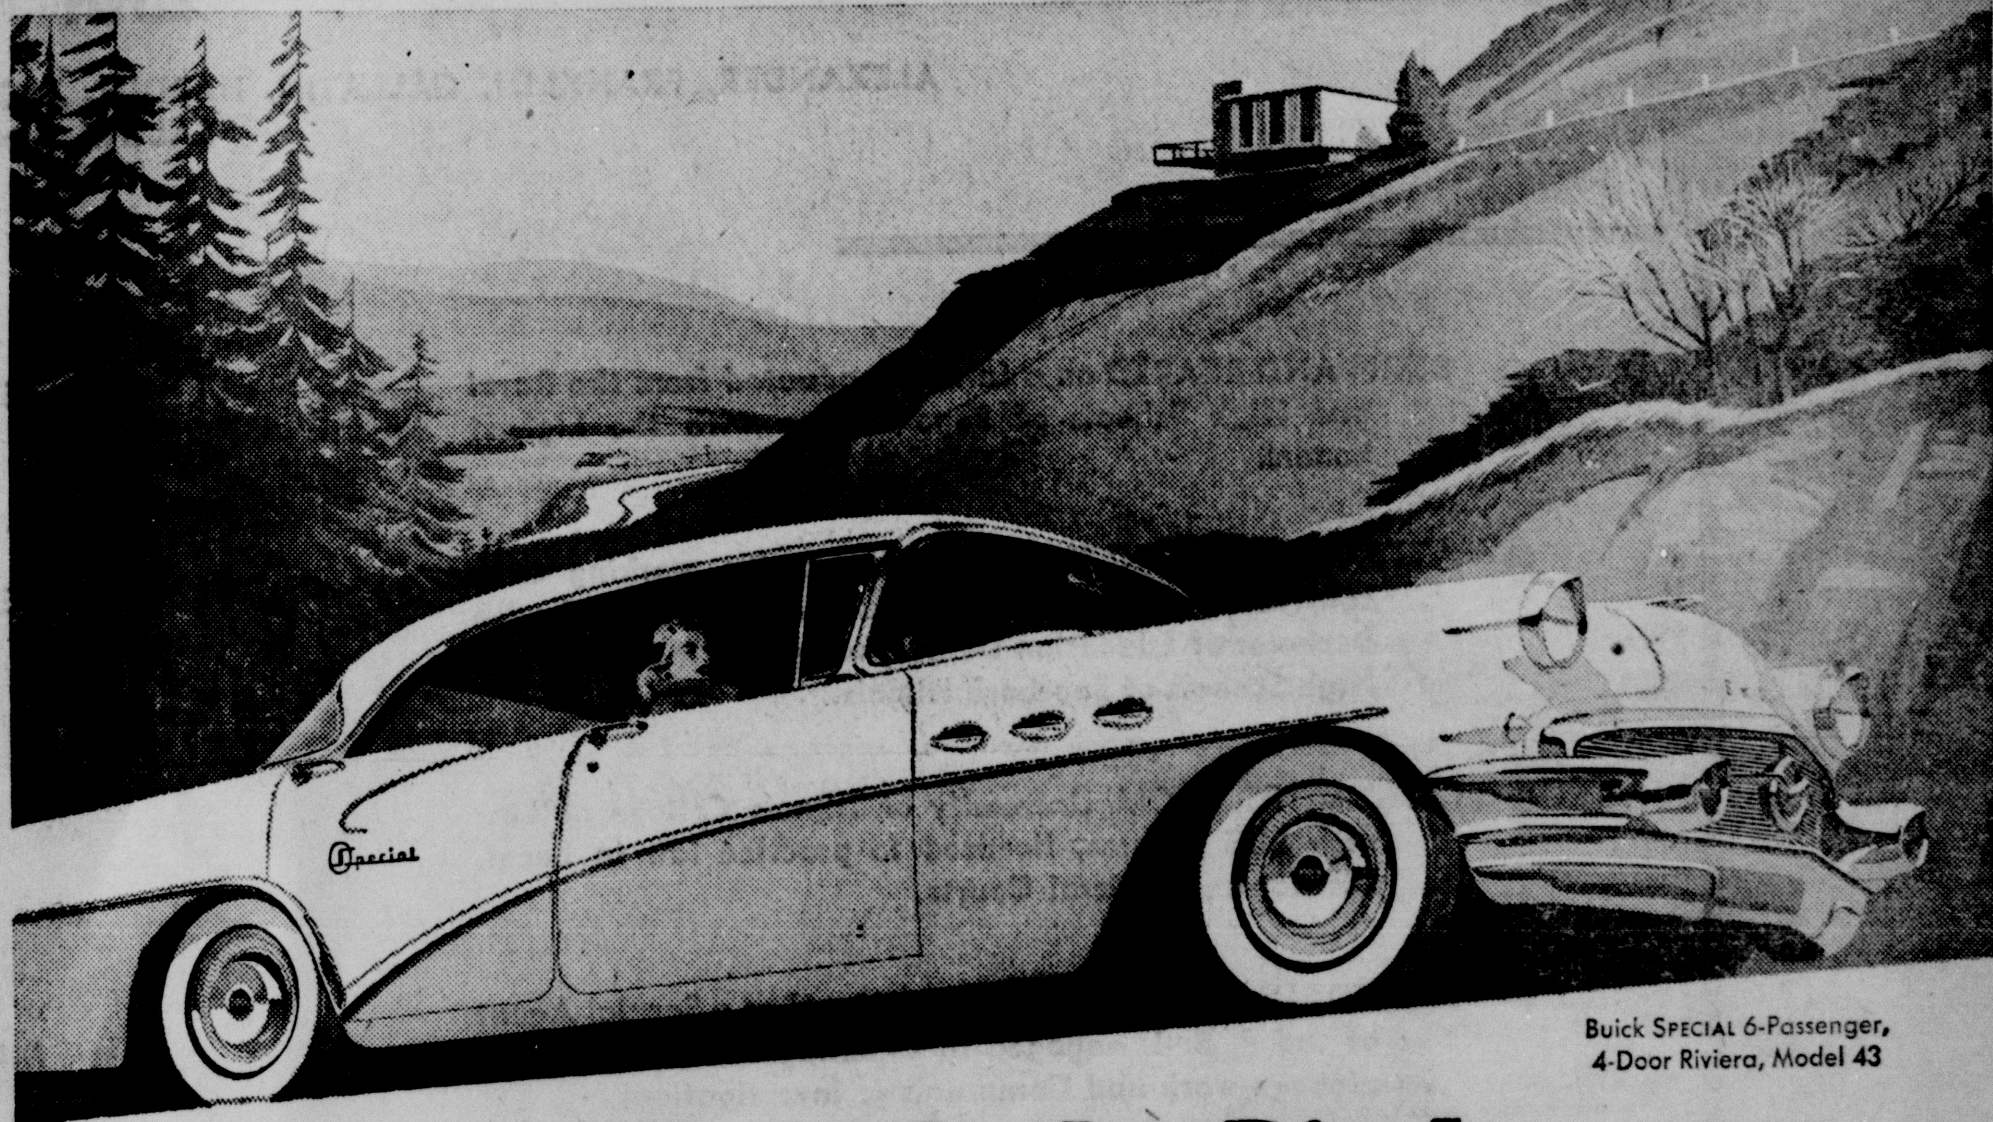

In the wake of the controversy the Senate passed the bill, but President Eisenhower vetoed it. He criticized "arrogant" tactics used to advance the measure.

The Senate voted today to extend the committee's reporting deadline to March 31 without dissent. Sen. Carl Hayden (D-Ariz.) offered the resolution and it was approved with only a few senators present. It was the second extension voted to the special committee headed by Sen. Walter F. George (D-Ga.). The group was first directed to report March 1 and was then given until Saturday to file its report.

MAKE THIS HOME RECIPE TO TAKE OFF UGLY FAT

It's simple how quickly you may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy — no trouble at all and costs little. It contains nothing harmful and has a mild laxative effect. Ask your druggist for 4 ounces of liquid RENNEL Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonsfuls twice a day. RENNEL is also available in the 8 ounce regular economy size. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain

slender, more graceful curves: if reducible pounds and inches of fat don't seem to disappear from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle to the manufacturer for a refund. You don't have to starve — eat sensibly per instructions. Ask for free booklet. Follow this easy way endorsed by your Illinois neighbors who have gotten slim with this recipe. Note how quickly bloated disappears — how much better you feel — more alive, youthful appearing and active. See your druggist today for RENNEL.

Buick SPECIAL 6-Passenger, 4-Door Riviera, Model 43

Switch the Pitch and you're in Buick's

THRILL-A-MINUTE CLUB

THAT's the initiation. And it's the tip-off on the excitement served up in every Buick for 1956.

To make it easy for anyone to taste that excitement for himself we've set up the Buick Thrill-a-Minute Club. You join just by driving.

So get aboard — and feel the first of the thrills — the newest step-up in Variable Pitch Dynaflo.*

Instant Dynaflo — you might call it. It whisks the terrific torque and thrust of that 322-cubic-inch V8 to the rear wheels instantly — letting you take off like a scalded cat without even floor-boarding the accelerator to switch the pitch. (That saves gas, too.)

Get aboard — and find out how smooth an automatic transmission can be. Ice-cream smooth. Not the slightest suggestion of bump or lag — even when you heavy-foot the pedal to switch the pitch for instant safety-surge passing.

Get aboard — and feel how comfortable a ride can be. With the comfort of 4-coil springing. With the comfort of triple-oil shock absorbers. With the comfort of a ride-steadying torque-tube drive.

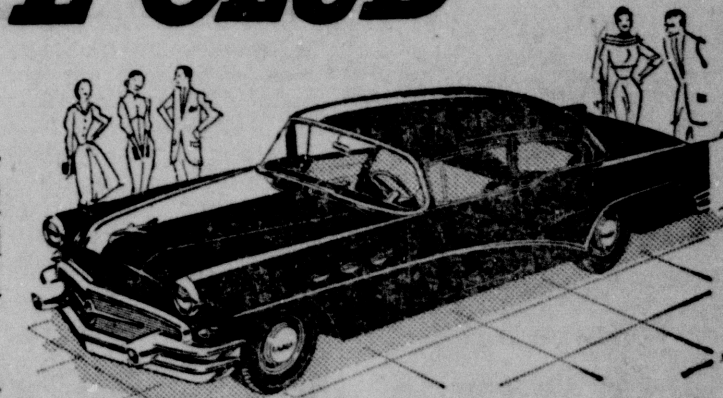

And look around, when you have a chance — with a buyer's eye on the furnishings. Take in the luxury of the appointments; the new color and texture in the designs and fabrics. Nothing's obvious — except good taste.

So join Buick's Thrill-a-Minute Club and you'll find so many stirring thrills, so many quiet pleasures — you'll want to sign up for life.

And one of the nicest thrills of all is finding out how low those first year's dues are. May we show you?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

SAMUEL JACK SCOTT REPUBLICAN CANDIDATE FOR CONGRESS

25th ILLINOIS DISTRICT

ALEXANDER, FRANKLIN, GALLATIN, HARDIN, JACKSON, JOHNSON, MASSAC, MONROE, PERRY, POPE, PULASKI, RANDOLPH, SALINE, UNION AND WILLIAMSON COUNTIES.

- BORN AND REARED on a farm—graduated from the Rural and High Schools of Pope County with the highest honors.
- ATTENDED SOUTHERN Illinois University, working as a construction laborer during vacation, graduated with Bachelor of Education Degree, taught in the Rural and High Schools of Southern Illinois.
- GRADUATED FROM University of Illinois College of Law with LL.B. Degree, licensed to practice law in Local, District and Federal Courts.
- SERVED SIX YEARS during World War II as a Special Agent of the F. B. I. engaged in Espionage and counter Espionage work and Communistic investigations.
- RECEIVED A WAR Certificate of Merit for outstanding Wartime Service from J. Edgar Hoover, Director of the F. B. I.
- SERVED OVERSEAS with the Central Intelligence Agency doing work similar to that performed for the F. B. I. in the United States.
- SERVED IN THE U. S. Department of State Foreign Service in the Middle Eastern Countries. In the performance of his official duties Scott had the opportunity to personally observe and evaluate the operations and administration of the U. S. Foreign policy and Foreign Aid programs in England, France, Belgium, Germany, Italy, Switzerland, Greece, Turkey, Lebanon, Iraq, Saudi Arabia, India, Afghanistan, Ceylon, Singapore, Hong Kong and Japan.
- MR. SCOTT'S complete picture of our diplomatic and economic problems with Europe and Asia, the problems of International Relations among the Nations of the World and his vast experience in dealing with our Security and Defense requirements against Communistic practices throughout the World make him the best man available to represent you in Congress.

It is important to remember that Samuel Jack Scott's developed and tested ability has not been confined to the fields of Education, Science, Economics, National Security, Diplomacy, and International Relations, for as an Attorney working and dealing with Farmers, Merchants, Labor and Management, Mr. Scott possesses a deep understanding and appreciation of the Serious Local Economic Conditions, Needs and Requirements of Our 25th Congressional District—and He has the know-how and ability to do something about them.

VOTE FOR AND ELECT

SAMUEL JACK SCOTT

TO CONGRESS FROM THE 25TH CONGRESSIONAL DISTRICT

He will give you able and vigorous representation in Congress.

PRIMARY ELECTION TUESDAY, APRIL 10, 1956 — GENERAL ELECTION TUESDAY, NOVEMBER 6, 1956
